MESSAGE FROM THE PRESIDENT 會長序言

The year passed is what could be described as one of bounty in our sports as the results from the meets and Games from the Asian to Winter Olympics bear testament. This issue of the annals is to affirm and celebrate such a happy occurrence as well as praise those, athletes, officials, organizers, sponsors and volunteers whose contributions need to be recognized because to whom so much is due. We must here thank the public and the Home Affairs Bureau, Leisure and Cultural Services Department as well as the Education Department, not to forget the districts, that have assisted the cause in making participation possible, accessible, at every level. We have, by and by, fostered a sporting culture from which will come still more champions and folk heroes. Our future is brilliant as we have already seen the light. In this future we hope to see our athletes do what they crave to do, compete for Hong Kong in a multi sport tournament at home before their friends, fans and family. We have not had this scenario unfold for ten years since the 2009 East Asian Games and time is right for a reprise.

Timothy T. T. FOK, GBS, JP

President

Sports Federation & Olympic Committee of Hong Kong, China

過去的一年，香港運動員在亞洲大型運動會以至冬季奧運會的成績，為本港體壇迎上豐盛的一年。本會藉本年年報讚揚那些曾參與這些運動賽事的運動員、工作人員、主辦單位、贊助商及志願者。此外，我們亦必須感謝市民、民政事務局、康樂及文化事務署、教育署，以及各地區體育機構，他們促使各階層的普及體育文化逐步形成，讓更多運動員取得勝利，成為我們的英雄。我們的未來是光明的。在這個未來，我們希望能實現運動員的渴望，他們期待能夠在土生土長的「香港」主場參與國際綜合項目運動會，在朋友、支持者和家人擁護下，為港爭光。自2009年東亞運動會以後，已經10年沒有出現這種境況了，現在應該是重新呈現這願景的時候。

第五屆「奧林匹克主義體驗營」

「奧林匹克主義體驗營」是港協暨奧委會在香港推動奧林匹克主義的重要活動之一，旨在希望參加者能把奧林匹克主義的價值觀融入日常生活中，為社會帶來正面的信息。自2013年起，港協暨奧委會每年在春節期間為香港精英運動員舉辦體驗營，而在暑假則舉辦青少年夏令營讓本港中學生參與，藉以宣揚奧林匹克主義的核心價值。

Jointly organized with the Hong Kong Sports Institute Limited, the 2017 Olympism Camp, first camp designed for both Hong Kong elite athletes and secondary school students, was held on 19 to 21 July 2017 at the Tai Tam Scout Centre.

A New Format

The new arrangement offered valuable opportunity for the student athletes to meet and learn from the elite athletes, whilst elite athletes were also given an opportunity to act as role models and ambassadors to inspire the student athletes through demonstrating their devotion towards sports and sharing of their experiences.

Athletes and students were mingled and divided into 4 groups to experience a mock Olympic Games with the theme of “Olympic Journey” through a 3-days’ residential camp. Through various team activities, sharing sessions, anti-doping and media interview workshops, the 3 Olympic Values, including “Excellence”, “Friendship” and “Respect” were delivered.

A total of 48 participants were nominated from 7 elite sports associations and 15 participatory schools of the “Olympism Education Programme” and “Sports Legacy Scheme”.

與香港體育學院合辦的第五屆「奧林匹克主義體驗營」，首次安排精英運動員及中學生運動員同時參加，並於2017年7月19至21日假大潭童軍中心舉行。

新形式

希望藉著是次嶄新的安排，讓中學生運動員能進一步認識精英運動員，學習他們堅毅的精神和對運動的投入，同時，亦希望讓運動員能擔任體育大使的角色，以自己的故事及經驗去啟發學生運動員。雙方透過互動，一同學習，一同進步！

今年的體驗營更以「奧運會之旅」為主題，並首次完全透過遊戲和活動模式來表達出奧林匹克主義。精英運動員及中學生運動員混合並分成四組，透過團體活動、分享環節、運動禁藥管制和傳媒關係工作坊等，互相學習，一起體驗三日兩夜的「奧運之旅」。同時親身體驗及展現奧林匹克的三個核心價值，包括「卓越」、「友誼」和「尊重」。

今年的體驗營的48名參加者分別來自7個精英體育項目及15間曾參與「奧林匹克主義教育計劃」和「奧夢成真計劃」的學校。

是項計劃派出已退役/計劃退役的中國香港隊運動員到指定學校執教，目的是為學生提供專業訓練和指導。經過3年的訓練，一些受惠的學校校隊取得了成果。香港道教聯合會圓玄學院第三中學的田徑校隊由陳家豪(田徑)執教。在接受三年訓練後，男子組在2017-18第三組(二區)學界比賽贏得了總冠軍，自創校以來的最佳成績。

SLS was invited to become an Official Community Partner of TGEC and to provide sports activities during 21 January, 7 and 9 February in The AIA Great European Carnival. During the reporting period, a total of 4 education talks were organized for 360 students and teachers in order to promote the message of fair play and the spirit of sport to youths. 運動禁藥管制教育及外展計劃

國際奧委會及地區奧委會有責任透過禁藥管制及教育保障運動員公平競賽的權利。這信息不僅對體育界很重要，讓香港社區加深認識也不可或缺的一環。因此，禁藥委員會推出以中學生及大型體育活動參加者及公眾為目標對象的教育外展計劃，向社區傳遞公平競賽及無運動禁藥的信息。

在年報期間一共為360位中學師生舉辦了4次講座向青少年推廣公平競賽的信息及宣揚體育精神。社區方面，除定期於香港體育學院設置外展教育攤位，更為本地體育活動舉行了共6次運動禁藥管制外展教育計劃，其中包括渣打香港馬拉松嘉年華及香港體育學院開放日。

The Federation has started its new chapter upon the completion of the corporatization. As a National Olympic Committee, the Federation sent the Hong Kong, China Delegation to the Ashgabat 2017 Asian Indoor & Marital Arts Games and PyeongChang 2018 Olympic Winter Games respectively and attended various meetings conducted by the International Olympic Committee and Olympic Council of Asia. It also took up the responsibility to promote Olympism through the Olympic Education Programme throughout the year and organized the Olympism Camp for student athletes and elite athletes in 2017.

To recognize the outstanding athletes, the Federation has organized the annual Hong Kong Sports Stars Awards and granted incentive awards to Member Associations. We have liaised with the IOC Olympic Solidarity and other local corporations to provide financial support to nurture the elite and potential athletes to enhance their sporting skills. We have also provided updated anti-doping knowledge and information through the Hong Kong Anti-Doping Committee, and assisted the transformation of retired athletes through the Hong Kong Athletes Career and Education Programme.

Internally, the Federation has reviewed the establishment of Athletes Committee with reference to the IOC Guidelines relating to the Creation of an NOC Athletes Commission. With the incorporation of the Federation, the Athletes Committee will be made up of 4 members nominated by the Federation, 5 members nominated by NSAs (3 from Olympic Games sports and 2 from Asian Games sports), and ex-officio members. The Chairperson and Vice Chairperson elected from the Athletes Committee will become Individual Ordinary Members of the Federation who have voting rights at the General Meetings of the Federation. The Committee Chairperson shall be appointed as Officer (Athletes Committee Representative) to represent the Committee among the Board of Officers. We believe that athletes' involvement is helpful for building up a good communication channel between the Federation and athletes, and can enhance the transparency for good governance. During the reporting period, a Celebration Party of Hong Kong Sports Stars Awards presented by the Hong Kong Olympic Fans Club and the Athletes Committee was arranged for all nominees aiming to let them celebrate their achievements and successes with their families and friends.

Finally, I would like to express my sincere thanks to the HKSAR Government and all stakeholders including Member Associations and Hong Kong Sports Institute for their long term support to the Federation and my heartfelt gratitude to Officers, Chairpersons and Members of the Committees of the Federation for their selfless and exemplary effort to serve in the Federation.

Directors' Report

Arrangements for acquisition of shares or debentures

At no time during the period was the Federation, a party to any arrangements to enable the directors of the Federation to acquire benefits by means of the acquisition of shares in, or debentures of, the Federation or any other company.

Material interests in transactions, arrangements or contracts

The directors are of the opinion that no transactions, arrangements and contracts of significance in relation to the Federation's business to which was a party and in which a director of the Federation had a material interest, whether directly or indirectly, subsisted at the end of the period or at any time during the period.

Management contracts

No contracts concerning the management and administration of the whole or any substantial part of the business of the Federation were entered into or existed during the period.

Equity-linked agreements

No equity-linked agreements into which the Federation entered subsisted at any time during the period.

Permitted indemnity provisions

No permitted indemnity provision was in force during the period, or is in force at the date of this report, for the benefit of a then director or a director of the Federation (whether made by the Federation or otherwise).

Business review

The Federation has achieved a surplus before taxation of HK\$2,812,434. The biggest risk facing the Federation remains its reliance on the subvention from the Government of the HKSAR (47% of total income) to fund its principal activity. There have been no significant subsequent events which materially affect the financial result of the Federation.

The Federation expects to achieve a smaller surplus in the future owing to significant investment in the promotion and development of sports in Hong Kong which is planned to take place. The Federation will continue to seek to drive revenue in order to allow this investment to continue.

The Federation has complied with the Olympic Charter and all applicable laws and regulations during the period.

For a more comprehensive review of the Federation's activities during the period, please see the message from the President and the closing remarks from the Honorary Secretary General contained in the Annual Report 2017-18.

The Federation's success depends on some key relationships for a significant proportion of its income, particularly those from the Government and the Olympic sponsorship.

Independent Auditor's Report

To the members of

Sports Federation & Olympic Committee of Hong Kong, China

(incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

Opinion

We have audited the financial statements of Sports Federation & Olympic Committee of Hong Kong, China (the "Federation") set out on pages 7 to 30, which comprise the statement of financial position as at 31 March 2018, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the period from 30 March 2017 (date of incorporation) to 31 March 2018, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Federation as at 30 March 2018, and of its financial performance and cash flows for the period then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Federation in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors of the Federation are responsible for the other information. The other information comprises the directors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditor's Report

To the members of

Sports Federation & Olympic Committee of Hong Kong, China

(incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

Responsibilities of Directors for the Financial Statements

The directors of the Federation are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Federation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Federation or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Federation's internal control.

Independent Auditor's Report

To the members of

Sports Federation & Olympic Committee of Hong Kong, China

(incorporated in Hong Kong with liability limited by guarantee and not having a share capital)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Federation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Federation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Sports Federation & Olympic Committee of Hong Kong, China

Notes to the Financial Statements

Period from 30 March 2017 (date of incorporation) to 31 March 2018

1. CORPORATE INFORMATION

Sports Federation & Olympic Committee of Hong Kong, China (the “Federation”) is incorporated in Hong Kong with liability limited by guarantee and not having a share capital. The Federation’s registered office is located at 2/F, Olympic House, 1 Stadium Path, So Kon Po, Hong Kong.

Every member of the Federation undertakes that if the Federation is wound up while he/she is a member, or within one year after he/she ceases to be a member, to contribute to the assets of the Federation an amount not exceeding HK\$100.

The principal activities of the Federation are development and promotion of sports in Hong Kong.

The Federation was incorporated on 30 March 2017 and this is the first set of financial statements which covers an approximately 12-month period ended 31 March 2018.

The Federation was incorporated to take up all the business, assets and liabilities of its predecessor, Sports Federation & Olympic Committee of Hong Kong, China, which was a society registered in Hong Kong under the Societies Ordinance (the “Unincorporated SF&OC”), on 1 July 2017. The Federation received a net amount of HK\$250,103,924, representing the excess of the assets over liabilities taken over from the Unincorporated SF&OC, as initial contribution. The Unincorporated SF&OC was dissolved on 10 April 2018.

2. PRINCIPAL ACCOUNTING POLICIES

Basis of preparation

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards (“HKFRSs”), which is a collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards (“HKASs”) and Interpretations issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”), accounting principles generally accepted in Hong Kong and the Hong Kong Companies Ordinance (the “Ordinance”).

A summary of the principal accounting policies adopted by the Federation is set out below.

Basis of measurement

The measurement basis used in the preparation of the financial statements is historical cost, except for available-for-sale financial assets and financial assets at fair value through profit or loss, which are measured at fair value as explained in the accounting policies set out below.

Notes to the Financial Statements

Period from 30 March 2017 (date of incorporation) to 31 March 2018

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Depreciation is provided to write off the cost less accumulated impairment losses of property, plant and equipment over their estimated useful lives from the date on which they are available for use and after taking into account their estimated residual values, using the straight-line method at the rates as set out below. Where parts of an item of property, plant and equipment have different useful lives, the cost or valuation of the item is allocated on a reasonable basis and depreciated separately:

Furniture and fixtures	15%
Leasehold improvement	50%
Machinery and equipment	20%
Motor vehicles	20%

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in profit or loss in the period in which the item is derecognised.

Impairment of non-financial assets

At the end of each reporting period, the Federation reviews internal and external sources of information to assess whether there is any indication that its property, plant and equipment may be impaired or impairment loss previously recognised no longer exists or may be reduced. If any such indication exists, the recoverable amount of the asset is estimated, based on the higher of its fair value less costs of disposal and value in use. Where it is not possible to estimate the recoverable amount of an individual asset, the Federation estimates the recoverable amount of the smallest group of assets that generates cash flows independently (i.e. a cash-generating unit).

If the recoverable amount of an asset or a cash-generating unit is estimated to be less than its carrying amount, the carrying amount of the asset or cash-generating unit is reduced to its recoverable amount. Impairment losses are recognised as an expense immediately.

A reversal of impairment loss is limited to the carrying amount of the asset or cash-generating unit that would have been determined had no impairment loss been recognised in prior years. Reversal of impairment loss is recognised as income in profit or loss immediately.

Notes to the Financial Statements

Period from 30 March 2017 (date of incorporation) to 31 March 2018

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Financial instruments

Recognition and derecognition

Financial assets and financial liabilities are recognised when and only when the Federation becomes a party to the contractual provisions of the instruments and on a trade date basis.

A financial asset is derecognised when and only when (i) the Federation's contractual rights to future cash flows from the financial asset expire or (ii) the Federation transfers the financial asset and either (a) the Federation transfers substantially all the risks and rewards of ownership of the financial asset, or (b) the Federation neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset but it does not retain control of the financial asset.

A financial liability is derecognised when and only when the liability is extinguished, that is, when the obligation specified in the relevant contract is discharged, cancelled or expires.

Classification and measurement

Financial assets or financial liabilities are initially recognised at their fair value plus, in the case of financial assets or financial liabilities not carried at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets or financial liabilities.

1) Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include financial assets held for trading and financial assets designated upon initial recognition as at fair value through profit or loss. They are carried at fair value, with any resultant gain and loss recognised in profit or loss.

Financial assets or financial liabilities are classified as held for trading if they are (i) acquired principally for the purpose of selling in the near future; (ii) part of a portfolio of identified financial instruments that the Federation manages together and has a recent actual pattern of short-term profit-taking; or (iii) derivatives that are not financial guarantee contracts or not designated and effective hedging instruments.

2) Loans and receivables

Loans and receivables including receivables and deposits and cash and cash equivalents are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are not held for trading. They are measured at amortised cost using the effective interest method, except where receivables are interest-free loans and without any fixed repayment term or the effect of discounting would be insignificant. In such case, the receivables are stated at cost less impairment loss. Amortised cost is calculated by taking into account any discount or premium on acquisition over the period to maturity. Gains and losses arising from derecognition, impairment or through the amortisation process are recognised in profit or loss.

Notes to the Financial Statements

Period from 30 March 2017 (date of incorporation) to 31 March 2018

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Financial instruments (Continued)

3) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either designated at this category or not classified in any of the other categories of financial assets. They are measured at fair value with changes in value recognised as a separate component of equity until the assets are sold, collected or otherwise disposed of, or until the assets are determined to be impaired, at which time the cumulative gain or loss previously reported in other comprehensive income shall be reclassified to profit or loss as a reclassification adjustment. Available-for-sale financial assets that do not have a quoted market price in an active market and whose fair value cannot be reliably measured are stated at cost less impairment loss.

4) Financial liabilities

The Federation's financial liabilities include account payables and accruals. All financial liabilities except for derivatives are recognised initially at their fair value and subsequently measured at amortised cost, using the effective interest method, unless the effect of discounting would be insignificant, in which case they are stated at cost.

Impairment of financial assets

At the end of each reporting period, the Federation assesses whether there is objective evidence that financial assets, other than those at fair value through profit or loss, are impaired. The impairment loss of financial assets carried at amortised cost is measured as the difference between the assets' carrying amount and the present value of estimated future cash flow discounted at the financial asset's original effective interest rate. Such impairment loss is reversed in subsequent periods through profit or loss when an increase in the asset's recoverable amount can be related objectively to an event occurring after the impairment was recognised, subject to a restriction that the carrying amount of the asset at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

When an available-for-sale financial asset is impaired, an amount comprising the difference between its acquisition cost (net of any principal repayment and amortisation) and current fair value, less any previously recognised impairment loss, is transferred from equity to profit or loss. Impairment losses recognised in profit or loss in respect of available-for-sale equity instrument are not reversed through profit or loss. Any subsequent increase in fair value of available-for-sale equity instrument after recognition of impairment loss is recognised in equity. Reversal of impairment loss of available-for-sale debt instruments are reversed through profit or loss, if the increase in fair value of the instrument can be objectively related to an event occurring after the impairment loss was recognised in profit or loss.

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease.

Lease incentives are recognised in profit or loss as an integral part of the net consideration agreed for the use of the leased asset.

Cash equivalents

For the purpose of the statement of cash flows, cash equivalents represent short-term highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, net of bank overdrafts. For classification in the statement of financial position, cash equivalents represent assets similar in nature to cash and which are not restricted as to use.

Revenue recognition

Revenue is recognised when it is probable that the economic benefits will flow to the Federation and when the revenue and costs, if applicable, can be measured reliably and on the following bases:

Subvention, sponsorship, dividend income, Bond programme income, royalty income and subscription income are recognised when the Federation's rights to receive payment have been established.

Specific grants are recognised to the extent that the corresponding expenditure is taken up in profit or loss.

Interest income is recognised on a time-proportion basis using the effective interest method.

Employee benefits

Short term employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the period in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

Defined contribution plans

The obligations for contributions to defined contribution retirement scheme are recognised as an expense in profit or loss as incurred. The assets of the scheme are held separately from those of the Federation in an independently administered fund.

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Government grants

Government grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. When the grant relates to an expense item, it is recognised as income over the years necessary to match the grant on a systematic basis to the costs that it is intended to compensate. Where the grant relates to an asset, the fair value is credited to a deferred income account and is released to profit or loss over the expected useful life of the relevant asset to match the depreciation charge.

Foreign currency translation

The financial statements are presented in the currency of Hong Kong dollars, which is the Federation's functional and presentation currency.

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

Foreign exchange gains and losses resulting from the retranslation of non-monetary items carried at fair value are recognised in profit or loss except for those arising on the retranslation of non-monetary items in respect of which gains and losses are recognised directly in equity, in which cases, the gains or losses are also recognised directly in equity.

A related party is a person or entity that is related to the Federation.

- (a) A person or a close member of that person's family is related to the Federation if that person:

Related parties (Continued)

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity and include:

- (a) that person's children and spouse or domestic partner;
- (b) children of that person's spouse or domestic partner; and
- (c) dependants of that person or that person's spouse or domestic partner.

In the definition of a related party, an associate includes subsidiaries of the associate and a joint venture includes subsidiaries of the joint venture.

Taxation

The charge for current income tax is based on the results for the period as adjusted for items that are non-assessable or disallowed. It is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is provided, using the liability method, on all temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, any deferred tax arising from initial recognition of goodwill; or other asset or liability in a transaction other than a business combination that at the time of the transaction affects neither the accounting profit nor taxable profit or loss is not recognised.

The deferred tax liabilities and assets are measured at the tax rates that are expected to apply to the period when the asset is recovered or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, tax losses and credits can be utilised.

Future changes in HKFRSs

At the date of authorisation of these financial statements, the HKICPA has issued a number of new / revised HKFRSs that are not yet effective for the current period, which the Federation has not early adopted.

Except for HKFRS 9 and HKFRS 16 as set out below, the directors of the Federation does not anticipate that the adoption of the new/revised HKFRSs in future periods will have any material impact on the results of the Federation.

Future changes in HKFRSs (Continued)

HKFRS 9: Financial Instruments

HKFRS 9 introduces new requirements for the classification and measurement of financial assets and financial liabilities, hedge accounting and impairment requirements for financial assets. Key requirements of HKFRS 9 that are relevant to the Federation are:

- All recognised financial assets that are within the scope of HKFRS 9 are required to be subsequently measured at amortised cost or fair value. Specifically, debt investments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest on the principal outstanding are generally measured at amortised cost at the end of subsequent accounting periods. Debt instruments that are held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets, and that have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding, are generally measured at fair value through other comprehensive income (“FVTOCI”). All other debt investments and equity investments are measured at their fair value at the end of subsequent accounting periods. In addition, under HKFRS 9, entities may make an irrevocable election to present subsequent changes in the fair value of an equity investment (that is not held for trading and contingent consideration recognised by an acquirer in a business combination) in other comprehensive income, with only dividend income generally recognised in profit or loss; and
- In relation to the impairment of financial assets, HKFRS 9 requires an expected credit loss model, as opposed to an incurred credit loss model under HKAS 39. The expected credit loss model requires an entity to account for expected credit losses and changes in those expected credit losses at each reporting date to reflect changes in credit risk since initial recognition. In other words, it is no longer necessary for a credit event to have occurred before credit losses are recognised.

The expected impacts relate to the classification and measurement and the impairment requirements are summarised as follows:

Classification and measurement

The Federation’s bank balance and cash and trade and other receivables are currently classified as loan and receivables and measured at amortised cost. The Federation does not expect the new guidance to affect the classification and measurement of these financial assets.

The Federation’s financial assets at fair value through profit or loss with carrying amount of HK\$59,210,772, which are currently stated at fair value, will either be measured as fair value through profit or loss or be designated as FVTOCI (subject to fulfilment of the designation criteria). The Federation does not expect the new guidance to affect the classification and measurement of these financial assets.

The Federation’s available-for-sale financial assets with carrying amount of HK\$142,313,195 which are stated at fair value will either be measured as fair value through profit or loss or be designated as FVTOCI (subject to fulfilment of the designation criteria). The Federation expects the new guidance to affect the classification and measurement of these financial assets.

2. PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

Future changes in HKFRSs (Continued)

HKFRS 9: Financial Instruments (continued)

Impairment

In general, the directors of the Federation anticipate that the application of the expected credit loss model of HKFRS 9 may result in earlier recognition of credit losses which are not yet incurred in relation to the Federation's financial assets measured at amortised costs and other items that subject to the impairment provisions upon application of HKFRS 9 by the Federation. However, the directors expect the effect would not be significant.

HKFRS 16: Leases

HKFRS 16 significantly changes the lessee accounting by replacing the dual model under HKAS 17 with a single model which requires a lessee to recognize assets and liabilities for the rights and obligations created by leases unless the exemptions apply. Besides, among other changes, it requires enhanced disclosures to be provided by lessees and lessors. Based on the preliminary assessment, the management is of the opinion that the leases of certain properties by the Federation which are currently classified as operating leases under HKFAS 17 will trigger the recognition of right-of-use assets and lease liabilities in accordance with HKFRS 16. In subsequent measurement, depreciation (and, if applicable, impairment loss) and interest will be recognised on the right-of-use assets and lease liabilities respectively, of which the amount in total for each reporting period is not expected to be significantly different from the periodic operating lease expenses recognised under HKAS 17. Apart from the effects as outlined above, it is not expected that HKFRS 16 will have a material impact on the future financial position, financial performance and cash flows of the Federation upon adoption.

As set out in Note 20, at 31 March 2018, the total future minimum lease payments under non-cancellable operating leases of the Federation in respect of the premises amounted to approximately HK\$180,000. The management of the Association does not expect the adoption of HKFRS 16 as compared with the current accounting policy would result in significant impact on the Association's financial performance but it is expected that the Association has to separately recognise the interest expenses on the lease liabilities and the depreciation expense on the right-of use assets, and that certain portion of the future minimum lease payments under the Federation's operating lease will be required to be recognised in the Federation's statement of financial position as right-of-use assets and lease liabilities. The Federation will also be required to remeasure the lease liabilities upon the occurrence of certain events such as a change in the lease term and recognise the amount of the re-measurement of the lease liabilities as an adjustment to the right-of-use assets. In addition, payments for the principal portion of the lease liabilities will be presented within financing activities in the Federation's statements of cash flows.

22. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The carrying amounts of the Federation's financial assets and liabilities recognised at the reporting date are categorised as follows:

	<i>HK\$</i>
Financial assets	
Loan and receivables:	
Receivables and deposits	4,479,694
Cash and cash equivalents	74,208,393
Available-for-sale financial assets	142,313,195
Financial assets at fair value through profit or loss	<u>59,210,772</u>
	<u><u>280,212,054</u></u>
Financial liabilities	
Financial liabilities measured at amortised cost:	
Account payables and accruals	2,106,679
Deposits received	<u>388,000</u>
	<u><u>2,494,679</u></u>

The main purpose of these financial instruments is to raise and maintain finance for the Federation's operations. The Board considers that the Federation's exposures to interest rate risk were insignificant at the end of the reporting period, as there were no interest-bearing borrowing and the impact on interest rate changes of bank deposits were not significant. As a result, the main risk associated with these financial assets and financial liabilities are equity price risk, credit risk and liquidity risk. The Federation does not have written risk management policies and guidelines. However, the Board generally adopts conservative strategies on its risk management and limits the Federation's exposure to these risks to a minimum.

Equity price risk

The Federation is exposed to equity price risk through its investments in available-for-sale financial assets. Equity investments are held for strategic rather than trading purposes. The Board of the Federation does not actively trade these investments. The Board of the Federation does not have any formal policy to manage its equity price risk.

It is estimated that an increase/decrease of 5% in equity price of available-for-sale financial assets as at the reporting date with other variables remain unchanged would result in increase/decrease in the net equity of the Federation by approximately HK\$7,100,000. The 5% change was based on the estimation of the Board of the Federation. The result of the sensitivity analysis may differ from time to time according to the prevailing market conditions.

Notes to the Financial Statements

Period from 30 March 2017 (date of incorporation) to 31 March 2018

22. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

Credit risk

Credit risk refers to the risk that the counterparty to a financial instrument would fail to discharge its obligation under the terms of the financial instruments and cause a financial loss to the Federation. The Federation's exposure to credit risk mainly arises from financial assets at fair value through profit or loss and deposits placed with financial institutions.

The Federation adopts conservative investment strategies. Only creditworthy issuers' debt securities would be considered. Bank deposits are placed with creditworthy financial institutions only. Management does not expect any financial institution fail to meet its obligations which will result in material credit losses on managing these financial assets.

Liquidity risk

The Federation's policy is to regularly monitor current and expected liquidity requirements to ensure that the Federation maintains sufficient reserves of cash and cash equivalents to meet its liquidity requirements in the short and longer term. The Federation's financial liabilities at the end of reporting period based on contractual undiscounted cash flow are all due for payment within one year or on demand.

Fair value

The Board of the Federation considers the fair value of the Federation's current financial assets and liabilities are not materially different from their carrying amounts because of the immediate or short term maturity.

Fair value measurements

The carrying value of financial instruments are measured at fair value at 31 March 2018 across the three levels of the fair value hierarchy defined in HKFRS 13, *Fair Value Measurement*, with the fair value measurement categorised in its entirety based on the lowest level of input that is significant to the entire measurement. The levels are defined as follows:

- Level 1 (highest level): quoted prices (unadjusted) in active markets for identical assets and liabilities that the Federation can access at the measurement date;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 (lowest level): unobservable inputs for the asset or liability.

The fair value of all the Federation's available-for-sale financial assets and financial assets at fair value through profit or loss are measured based on Level 1 inputs. During the period ended 31 March 2018, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into and out of Level 3 fair value measurements.

Notes to the Financial Statements

Period from 30 March 2017 (date of incorporation) to 31 March 2018

23. CAPITAL MANAGEMENT

The objectives of the Federation's capital management are to safeguard its ability to continue as a going concern for its development and promotion of sports objectives. The Federation manages its cumulated funds available and makes adjustments to these funds in light of changes in economic conditions and business strategies. To manage the funds, the Federation may adjust the use of its reserve or raise fund and repay debts.
